The parking permit may be obtained from the school office and require:

- b) proof of drivers license
- c) proof of insurance
- d) all fees must be paid in full

Students should notify the office when driving a vehicle not listed.

Students, who speed, drive recklessly, disobey traffic control signs, markings or park in unauthorized areas will be reported to law enforcement authorities and face possible parking and permit suspensions.

If a student becomes truant, the superintendent shall notify the child and the child's guardian or custodian that the child's temporary instruction permit or driver's license will be suspended or the opportunity to obtain such a permit or license will be denied. (3321.13) Students that are late to school, or have an attendance problem may lose their driving privileges.

Vehicles parked in fire lanes, handicapped spaces or in unauthorized parking stalls may be towed at the owner's expense.

It is a privilege to drive to and from school and we hope you are willing to accept that privileges will be handled in the following manner. If a violation is ruled to be a safety violation your privilege may be denied on the first offense.
