Dear Parents,

Welcome to a wonderful time in your child's school career, **First Grade!** We have a great year planned and can't wait to get started. To acquaint you with our first grade program, we are having orientation on Tuesday, August 22, 2017. This is a special time for all of us to meet and to help everyone get over the first day jitters (parents included). Below you will see a schedule of the orientations to be held in the first grade rooms.

10:30 – 11:15 parents only (in classrooms)

11:30 – 12:00 students only (classroom, we will meet them on playground)

The meeting with parents will be to go over our expectations for the year, as well as get your input on how you would like to be involved in your child's first grade year. The time spent with the students is for us to get to know them and to help calm the anxieties of the first day of school. Students can bring their supplies and backpacks. There will be babysitting on the playground during parent time. We look forward to seeing you in August.

Mark your calendars! First Grade Family is having a Back to School Day on Friday, Sept. 15, 2017. You are invited to come and spend the day with your first grader. More info to come at orientation.
